CBJ HISTORIC DISTRICT GUIDELINES REQUIRE A DISPLAY WINDOW WITH  
*“year-round interest.”*

SEASONAL BUSINESSES CAN HELP BY LEAVING BEHIND A LIGHTED DISPLAY WINDOW

For assistance to link with a local artist, elementary school artists, or non profit groups , as well as information on lighting costs: [kday@princesscruises.com](mailto:kday@princesscruises.com) or [mwaring@jedc.org](mailto:mwaring@jedc.org)

Making our streets more attractive and safer throughout the year is a joint effort of City and Borough of Juneau, Juneau Economic Development Council, The Alaska Committee and the Downtown Business Association, Tourism Best Management Practices and Princess Cruises.
