Mayo Schmidt
President and CEO
Hydro One Limited

RE: Letter of Introduction for Mr. Keith Comstock and Mr. Duff Mitchell

Dear Mr. Schmidt,

Please accept this letter as an introduction to two community-minded Juneau residents and businessmen, Mr. Keith Comstock and Mr. Duff Mitchell.

We understand that Hydro One has entered into a purchase agreement with Avista Utilities, the current owner of AEL&P and Alaska Energy and Resources Company, Juneau assets. We have a community interest in exploring the possibility of placing these assets under local Juneau control and ownership in a mutually beneficial manner to you, the shareholders of Hydro One, and our community.

Mr. Comstock, Mr. Mitchell and their investment team are available to meet with you in Toronto to discuss matters at your earliest convenience. We hope that such a meeting is of interest to you and that you are available to schedule a discussion.

Sincerely,

Rorie Watt
City Manager
